PAVING COMPANY LTD.

Ramming Paving Company recently purchased ten of the new 114SD Freightliners equipped with the Seven Axle Ox Superdump Bodies from the Lonestar Truck Group dealer in Temple, Texas. With this configuration they can haul the same carrying capacity as the tractor's with belly dump trailers but are more versatile in the jobs that they can perform because of their maneuverability.

At Lonestar Truck Group, our experienced salesmen can help you or your company spec out the ideal truck for your trucking needs.
