Lonestar Truck Group is Your One-Stop Source for

TRUCK & TRAILER SALES, PARTS & SERVICE

■ Jody Milligan runs log trucks out of Garvin, OK. Jody has a 16 truck Fleet and is currently running several brands of trucks, but prefers the Western Stars due to the rough and rugged terrain they run on. Jody is running 4 new Western Star 4900FA's with DD15's and 2 Western Star 4900EX Gliders that he put together. ■ Pictured above is the first glider that he assembled and it features a 10 speed, 3:90's with full lockers and a single turbo C15. It took Jody and his crew about five business days to build the glider. He is currently building a second Glider which features a 15 speed, 3:90's with full lockers and a Series 60 550 HP Detroit. The Western Stars are perfectly suited for the logging industry and continue to help his company grow. ■ Jody is a customer of Greg Fouche of Texarkana Truck Center, a member of the Lonestar Truck Group.
